

Escape Summer Heat

Join other Exploring & Venturing Crews while having a fun and relaxing time at Northeast Georgia's premier camping and outdoor facility Rainy Mountain. Take a short trail hike to "Big Rock", learn or practice archery or shooting, compete in the cardboard boat regatta, see if you can catch the most or biggest fish, or just have some fun down time with friends at the lake in kayaks or on

paddle boards. In the evening you can challenge each other to many different board games as you will also get to screen your own souvenir Great Escape T-shirt (you bring the shirt). This is your time to escape and re-charge before returning to a new school year.
